

AccuPOINT

PINPOINT SMARTER & FASTER

AccuPOINT has been meticulously designed to streamline your detecting experience, offering a seamless journey with intuitive menu navigation and real-time setting visibility on a vibrant color display. Whether you're an experienced detectorist or just starting your detecting journey, AccuPOINT empowers you with unparalleled precision and confidence.

Vivid Color LCD Screen: The high-resolution color LCD screen provides all the essential information you need right before your eyes. Our user-friendly interface ensures effortless access to settings and adjustments, making pinpointing targets hassle-free.

Bluetooth® Connectivity: Enjoy wireless, lag-free audio by pairing the AccuPOINT with Nokta BT Headphones or any low-latency Bluetooth® headphones.

Advanced Discrimination: Utilize our proprietary Ferrous / Non-Ferrous tones which will help you identify more treasure and less trash when pinpointing targets.
